

Hello, dear students! How are you today?

Welcome to Learning English Matters. So let me introduce myself. My name is Guilherme, but you can call me Teacher Gui, it's a pleasure, guys! I'm from Lages, Brazil. But today I live in Italy because I love pasta and wine. My birthday is on March 17th and I am thirty years old. I'm an English teacher and a book writer. I love to study languages and I speak other languages too, for example, Spanish and Italian.

Nice to meet you, guys!

Hey everyone, how are you?

Now, I will introduce myself. My name is Melissa, but you can call me teacher Mel. I'm from Lages, Brazil, but I live in Italy nowadays. My birthday is on December 16th and I am twenty-seven years old. I am an English teacher. I study English because I would like to travel to many countries, for example, Australia and Canada. I speak Italian, Spanish, and a little bit of German too. I love studying languages. Nice to meet you, my friends! And you? Who are you?

Tell us about yourself, please.

Hi, there! What's up?

Here is Eduardo, but you can call me Teacher Edu. Great to meet you! I'm from Florianópolis, twenty-one years old and of course, I'm also an English teacher.

I also like traveling, especially to historical and old places. It's wonderful to get to know other cultures, and learning the history of different places is a really good way to do that. Another great way to learn a new culture is by studying its language! I only speak English and Portuguese, but know a few things in Russian, Italian and Spanish as well, since those are languages from countries I am interested in!

Now, I'm curious about who you are, and why is it that you are studying English?
